eTwinning for...

SCHOOLS!

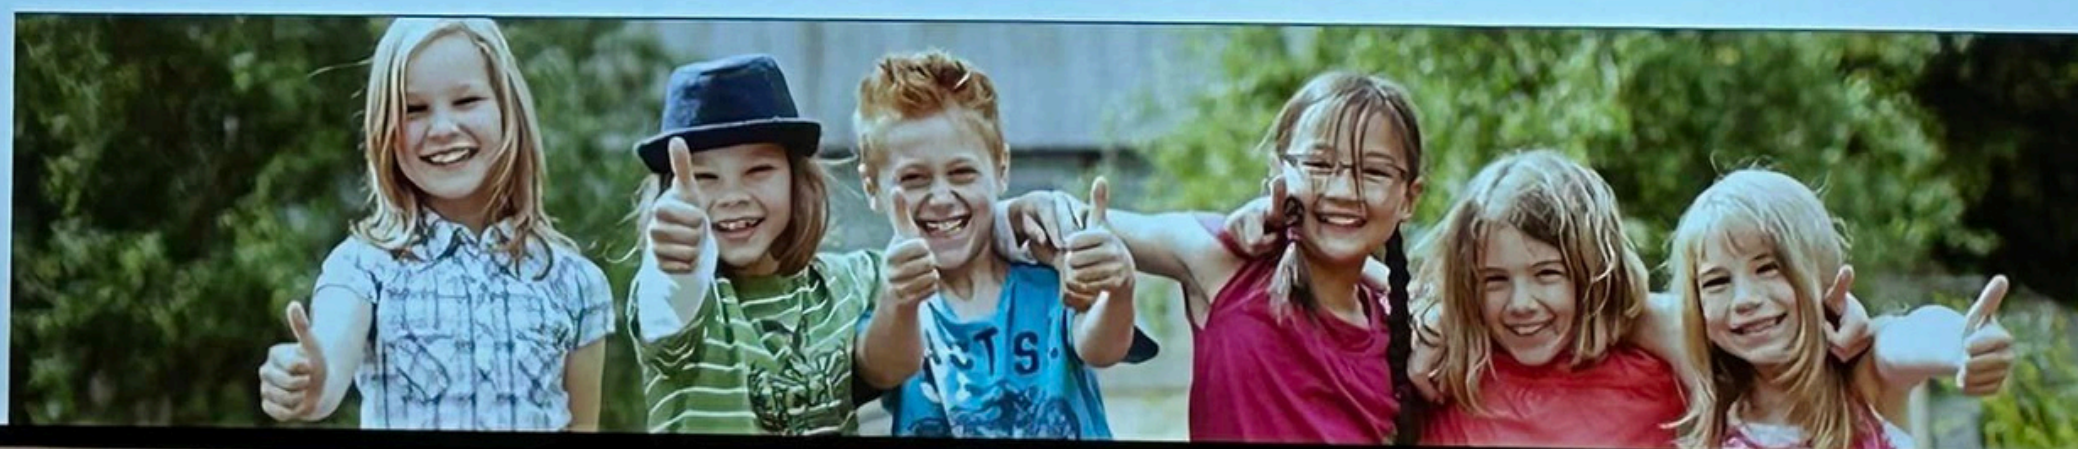

- **Professional development for teachers:** Free, continuous training aligned with national policy goals (e.g., Italy's PNSD, Scuola 4.0).
- **Enhanced educational offer:** A more attractive curriculum and increased visibility for the school.
- **Integration of ICTs and languages:** Gradual incorporation of technology and foreign languages into everyday teaching.
- **Sustainable innovation:** Promotes bottom-up, gradual, and lasting innovation.
- **Support for all teachers:** Recognizes excellence but also supports the "regular" teacher.
- **European network:** Inclusion in a broader network of European schools, paving the way for future collaborations and projects (e.g., Erasmus+).

Since 2017, the "Movimento delle Piccole Scuole"
(*Small Schools Movement*) is a national network of
more than **4.700 small school**

These are workbooks for schools. They are translated into three languages and are open access.

eTwinning project

Before starting

- Inspiration
- Objectives
- Colleagues
- Equipment

Gather information

- Curricular integration
- Time management
- Resources management
- External support

Feasibility

- Partner finding
- Project planning

Start!

Project registration

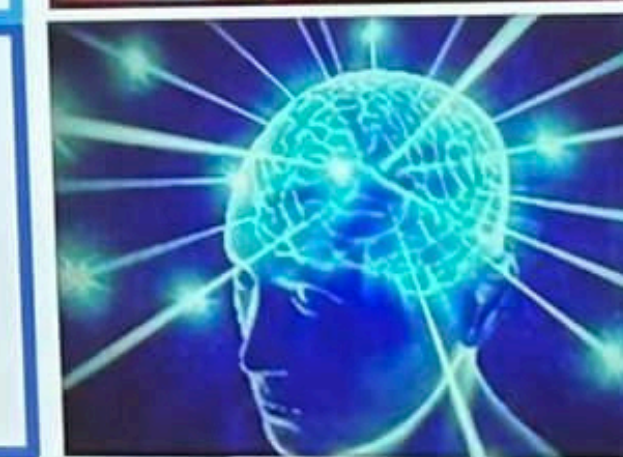

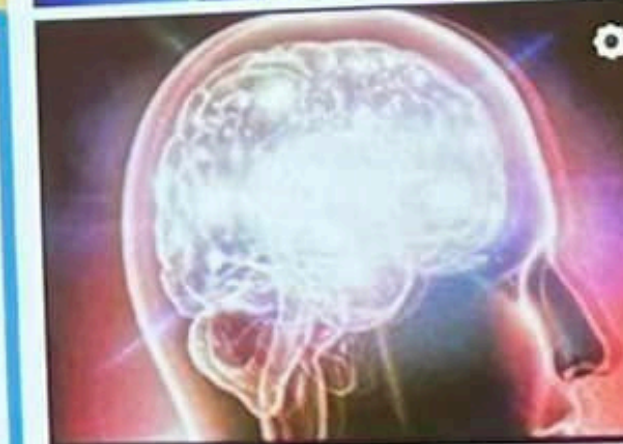

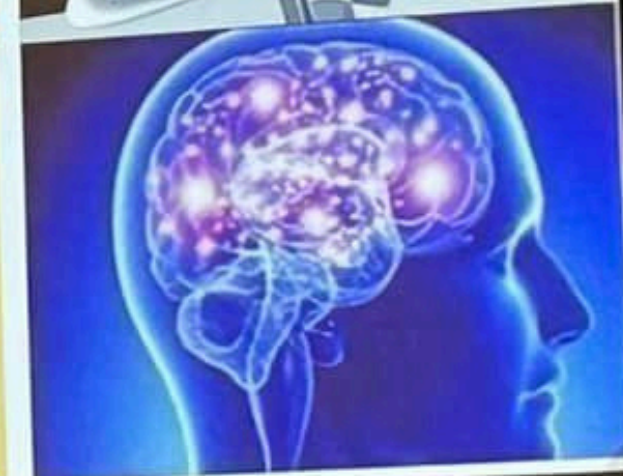

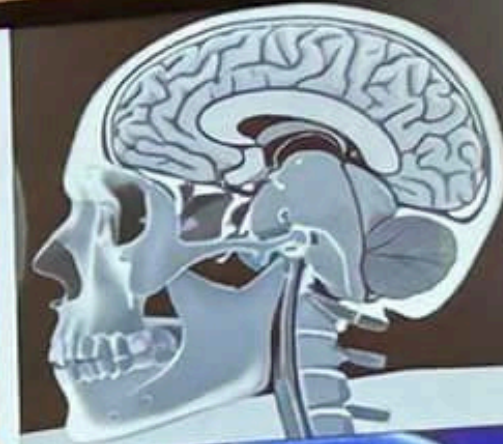

- I describe my school and my city. I create a virtual guide.
- You describe your school and your city. You create a virtual guide.
- We upload it in the TwinSpace.

- I describe my school and my city. I create a virtual guide.
- You describe your school and your city. You create a virtual guide.
- We upload it in the TwinSpace
- **Teachers assemble it in an e-book that gathers the two schools virtual guides.**

- I describe my school and my city. I create a virtual guide.
- You describe your school and your city. You create a virtual guide.
- We upload it in the TwinSpace.
- Teachers assemble it in an e-book that gathers the two schools' virtual guides.
- **I post comments/give feedbacks to your contributions, and you do the same.**

- I describe my school and my city, but **YOU create a virtual guide on it**, and viceversa.
- We upload it in the TwinSpace.
- **Teachers assemble it in an e-book that gathers the two schools' virtual guides.**
- **Teachers organize an online meeting where we give feedbacks on each other's contributions and we can vote for our favourite places.**
